

# Smart Meters and Time Of Use Pricing

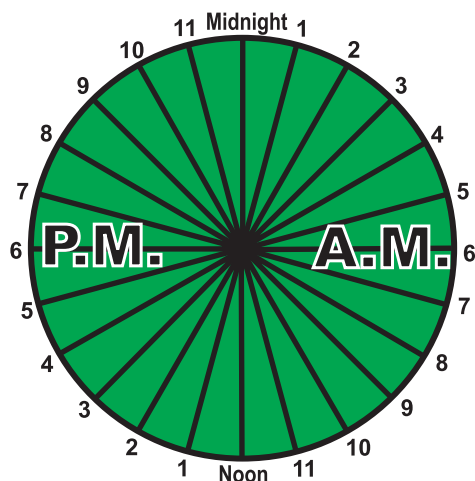

## What is a Smart Meter?

- Improved Meter Technology.
- Records a location's use of electricity every 5 minutes.
- Remotely sends the recordings to COLLUS Power.
- Collus Power matches consumption to Time Of Use periods.

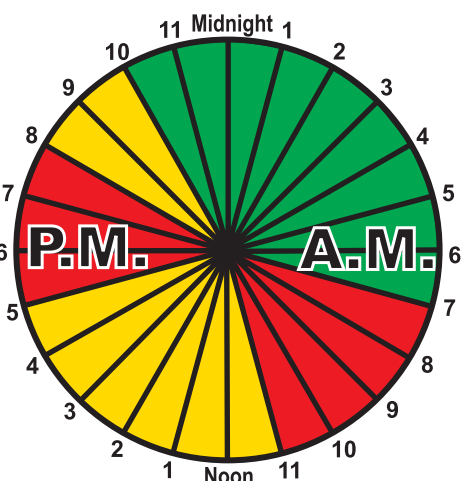

## When will Time Of Use Prices come to COLLUS Power Customers?

- COLLUS Power is currently choosing the best total solution for our customers.
- Targeting to begin installation of meters in the latter part of 2008.
- Planning to provide advance notice and key information to our customers.
- A simple meter switch over process will be used with little supply disruption.
- In full operation by the end of 2010.
